We kindly invite you to participate in  
"The **fifth** Environmental Symposium of German-Arab Scientific Forum for Environmental Studies" taking place at School of Arts & Sciences, Byblos Campus, Lebanese American University, Lebanon, on September 20-21, 2010.

The Topic of Symposium is:

## "Impact of Global Warming on Water Resources in the Middle East and North Africa."

This Symposium intends to encourage and enlarge the exchange of experience and the cooperation between German and Arab scientists, universities, institutions as well as industry. The symposium wants to contribute to environmental protection and to the understanding among nations. We look forward to your participation.

## Conference Topics:

The conference topics will cover different aspects of Environmental Sciences:

1. **Global Warming;**
2. **Water Resources, Protection and Management;**
3. **Wastewater Treatment and Reuse;**
4. **Water Conflicts;**
5. **Water, Air and Soil Pollution and Protection.**

## Place and Date:

The Conference will be held at the Lebanese American University on September 20-21, 2010, in Byblos, Lebanon.

## Language:

The conference language is English. Direct translation is not offered during the conference.

## Abstracts:

Abstract should be as follows: 1 to 3 page; Following the title, give name and address (incl. e-mail) of the authors, then text body; For abstract use simple tables only but no figures. Please send your abstract in English via E-mail to:

[info@german-arab-scientific-forum.de](mailto:info@german-arab-scientific-forum.de)

Or to: [zereini@iau.uni-frankfurt.de](mailto:zereini@iau.uni-frankfurt.de)

## Poster Presentation:

There will be a special hall for poster presentation. The poster should be designed in a proper way with a maximum dimensions 1.5 m x 1 m.

## Important Appointment:

Deadline for preliminary registration and for submission of abstracts is **April 15, 2010**.

## Exhibition:

The conference offers a unique opportunity for corporations, governmental agencies and academic institutions to display their products, services, new technologies and progress in their research.

**Cost:** 100 € /m<sup>2</sup>.

## Field Trip:

A post conference field trip for 3 days (22 -24 September) is planned. The trip focuses on water resources of Lebanon. Visits to points of interest in Lebanon have been planned.

**Cost:** 200 €

**Provided:** Transportation and accommodation.
